Activities

Please provide a **detailed** description of your fellowship's most significant, interesting or fun activity from the past year:

About 70 members and friends of IMFR gathered in Ljubljana, Slovenia, in October 2017 for our annual running get-together. After a walking tour of the historic city on the morning of Saturday 28th, then our pre-race pasta party in the evening, the following morning our runners fronted the start lines for the marathon, half-marathon and 10km events. After a few hours of recovery time, we gathered at the restaurant at Ljubljana Castle for our farewell dinner. All in all, a very enjoyable and successful event, in which we were ably assisted by the Rotary Club of Ljubljana Julija and local Rotarians.

Please provide a brief summary of any other noteworthy activities that took place over the past year:

Planning for our 2018 gathering in New Zealand, which will include a 20-day tour of both islands, and the running of the Queenstown Marathon on 17 November.
