Rotary Fellowships connect the Rotary family around hobbies, skills, professions, and recreational activities. Through Rotary Fellowships, Rotarians, family members, program participants, and alumni from all around the world connect with one another and build long-lasting friendships while bonding over topics of shared interest.

Now it is your opportunity to tell RI about your Fellowship's activities from the past year. Excluding the financial data, the information you provide may be used to promote your Fellowship through Rotary media.

Rotary Fellowship Chairs are asked to complete and submit the 2016 Rotary Fellowships Annual Report through this online form before 1 October.

*Please note: failure to submit an annual report and complete this survey by 1 October will result in immediate suspension.*

### Activities

Please provide a detailed description of your fellowship's most significant, interesting or fun activity during the past year:

From 7th-9th October 2016 about 60 members of our Fellowship met in Budapest (Hungary) to be part of the Budapest Marathon Festival:

The weekend was organised by RC Budapest-Center and the District Governor of Hungary, Ilona Pénezés in a wonderful way. At first we've met at the docks to start a pleasant Danube river cruise, where we've got lots to eat and drink. Budapest by night is marvellous and the time was fleeting by watching this beautiful scenery very fast.

Please provide a brief summary of any other noteworthy activities that took place over the past year:

In Strassbourg many French members of our IMFR met for a special marathon/semi-marathon through the vineyards of Alzac. The result was not so important, because there was much wine and excellent food to enjoy at the side of the road.
